

# PASSWORDS & CLOUD APPLICATIONS TALLY SHEET

- How many individual UserIDs do you have? \_\_\_\_\_
- How many unique passwords do you have? \_\_\_\_\_
- How many of those work in more than one application? \_\_\_\_\_
- How many home ones match work ones? \_\_\_\_\_
- How many answers to challenge questions are discoverable in your social media presence? \_\_\_\_\_
- Bottom Line: Re-use is very efficient but very dangerous
